All payments are estimations based on Oireachtas/Dept of Finance pension guidelines. Calculations have been made as per "new scheme" pension arrangements in place since 1993.

Dates of birth/lengths of service are as stated on the Oireachtas website.

\* In cases where a serving TD also served in the Seanad their senator's pension is not included.

Similarly where a serving Senator also served in the Dáil their TD's pension is not included.

\*\* Calculated on full years' service as a sitting TD/senator. Maximum 20 years.

\*\*\* Not entitled to a pension payment (in 2016) as office holder is not the requisite age.
